

STOP EATING THE CRAP OUT OF YOUR FOOD

That's right, believe it or not, some restaurants for whatever reason do not de-vein their shrimp and you need to know that. That is the intestinal tract that processes the waste by-product. Rest easy though, all shrimp at Shrimpee's are de-veined, cleaned, and washed for you, then seasoned, and cooked up fresh so you will enjoy only the freshest and most enjoyable shrimp or fish flavor imaginable. Why would You eat seafood any other way Shrimpee's does not stop there, only the very best preparation and seasonings are used. If you want cheaper, unclean shrimp or fish or seafood that doesn't have a Quality Assurance process in place, then maybe, Shrimpee's is not for you. However, certainly, we here at Shrimpee's do hope you will try us and taste the difference, and be assured that you are getting the very best in healthy seafood. Remember, sometimes you do
